

## PRICING SCHEDULES

### Property Advertising

You can advertise your property with Renturhome, including a maximum of 5 photographs for just **£5.00 per month**.

### Multiple properties

If you have more than one property to advertise a discounted rate is available for your second and subsequent properties of **£4.00 per month**. This rate will automatically be applied when you have more than one active property on Renturhome.co.uk at the time of billing.

### SMS Message Alerts

For only **£2.99 per month** we will text details of properties that match your search criteria directly to your mobile phone to help you ensure you do not miss out on your perfect property.

A maximum of 50 SMS messages will be sent each month for properties that match your criteria.

### To Let Boards

If you would like to advertise your property using a To Let Board, Renturhome are able to supply you at a cost of only **£35.00 per board** including postage and packaging. Each board will be customised to include your property ID number allowing potential tenants to easily find your property on the Renturhome website.
